Don't be left at the station. Get on board now!

**Check back for more...**

**We will be posting our Progress pic's here so you can follow us as we build the Florida Railroad Museum's MODEL RAILROAD DIVISION's train empire!**

**HISTORY:**

**Year Built:** March, 1954 by American Car & Foundry  
**Served as:** UP5462, 24410, 904210, 904827  
**Sold to:** Private Owner in 1999  
**Acquired by:** FRRM in 2010  
**Converted to:** 5642 for MRD ( Model Railroad Division ) in 2015

The new addition to 2016... The Model Railroad Division LOGO:

**Work has begun on the outside of UP 5642.**

**Masking the outside of the baggage car for the new paint scheme.**

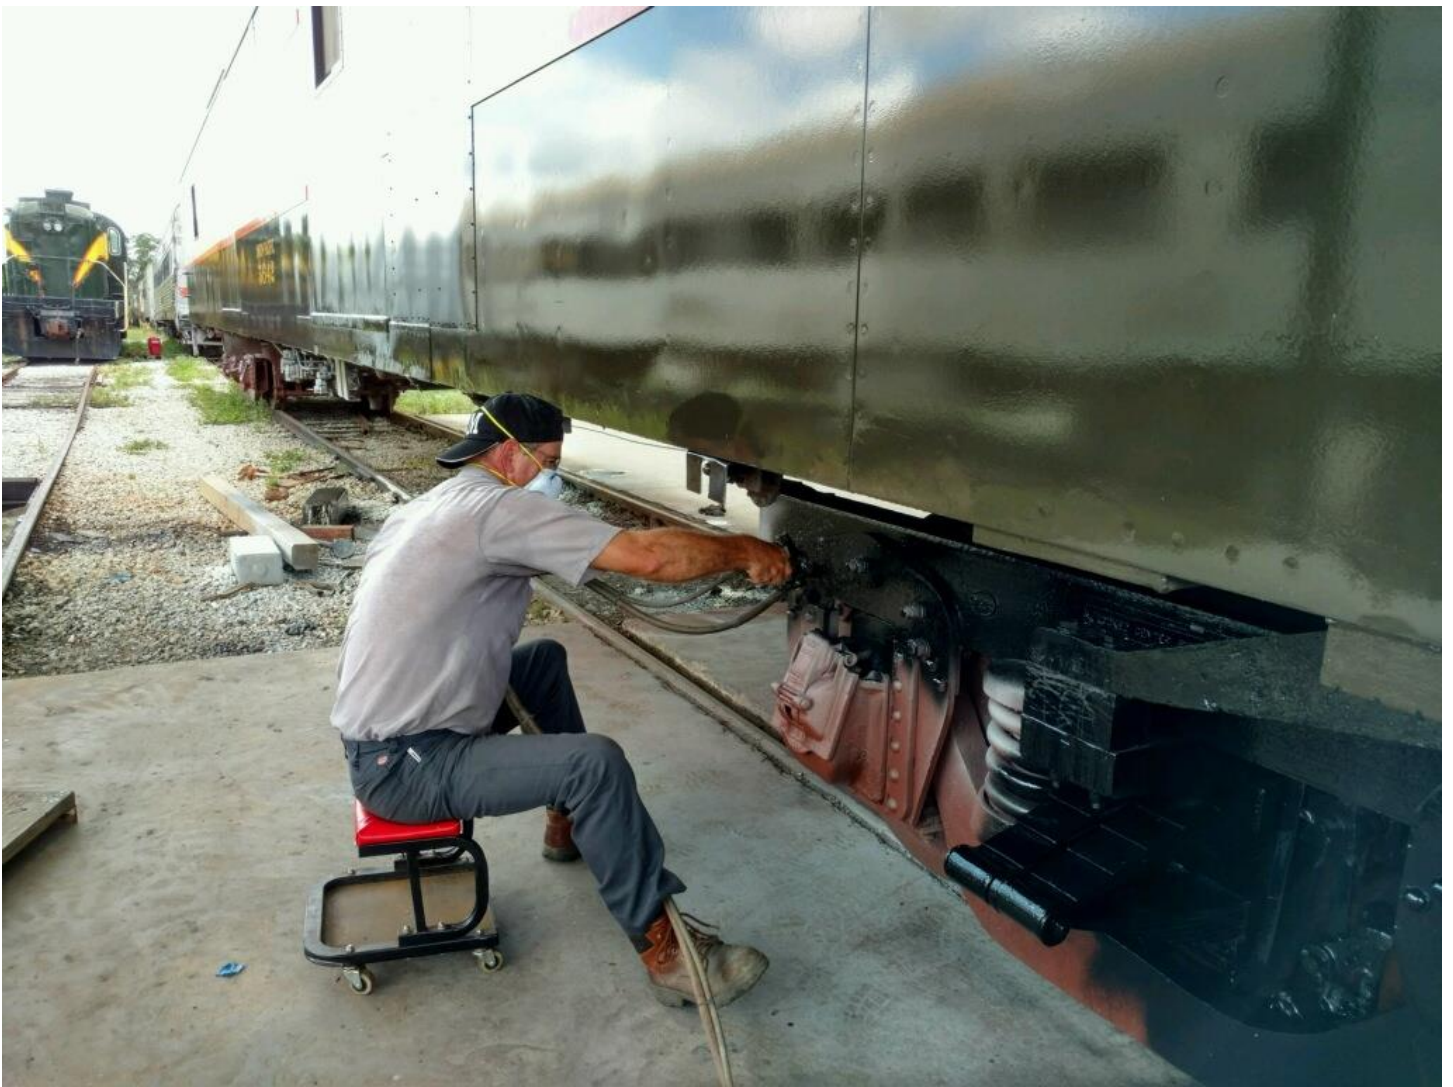

**A fresh coat of primer has been applied to the refurbished trucks on UP 5642**

**Adding the final coat for the finished look...**

The original lettering of the UP5642 had been painter... more decals added below

The finished exterior of the car painted to match the Museum's color scheme

**More to come in 2016..... Check back**

**Still to be done:**

- **AC unit installation**
- **New track to be laid for a siding in Parrish for UP 5642**
- **Design of the new Parrish Station**
- **Starting the G scale design & track laying project**
